PROJECT WORK OF B. Tech. CSE 7th SEMESTER STUDENTS (Batch 2022)

All the students of B. Tech. CSE 7th semester are hereby directed to submit ideas/informal proposals for their pre-project work (CSE70320) by or before **17-09-2025**. The ideas/proposal should in very broad terms, involve problem solving using the computer, including but not limited to the following:

- Solution or step(s) towards solution to local/regional problems of day to day life.
- Procedure for achieving efficiency in an existing business process, or any aspect of socio-economic importance such as agriculture, healthcare, tourism, environment, etc.
- Procedure(s) for efficient delivery of various public services by augmentation/Improvement in existing mechanism.
- Design and development of intelligent systems or applications using emerging technologies in the field of Computer engineering.
- Development of software tools, mobile/web applications, or platforms for education, community service, or accessibility. These should be deployable, professional-grade solutions built with modern software engineering practices and the latest technologies.

Note:-

1. The above-mentioned points are only to aid student's imagination, nevertheless students are encouraged to submit any proposal related to the field of computer engineering.
2. The proposals must be submitted by groups of students (2 to 4 students in each group) rather than individually.
3. Students may consult any faculty member of the department for opinion and help.
4. The proposal should mention team members, proposed title, brief introduction to the project, methodology, underlying technology, etc. and should comprise of three to five pages only.
5. Students may specify the name of three faculty members as their proposed project guides in order of preference. However, the final allocation of project guides shall be finalized by the department.
6. **The first presentation of the project proposals shall be conducted on 23-09-2025. Each group will be required to prepare and present a PowerPoint presentation comprising of 8 to 10 slides.**
