EDUCATION

M.Tech Information Technology
Central university of kashmir
08/2017 - 08/2019   Percentage : 77%
Thesis / Projects
- Submitted thesis on mitigating DNS cache poisoning attack using Blockchain.

B.Tech Computer Science & Engineering
BGSBU Rajouri
08/2012 - 06/2016   Percentage : 74%
Academic Projects
- Created a .NET application for University management system.

WORK EXPERIENCE

Contractual Lecturer
Department Of CSE, University Of Kashmir, North Campus
10/2022 - Present   *Delina Bramulla J&K*
Subjects Taken
- Data Structures And Algorithm
- Computer Fundamentals
- Probability and stastics
- C Programming

Guest Lecturer
Govt Degree College Baramulla J&k
03/2020 - 03/2022   *Baramulla J&K*
Subjects Taken
- Data Structures And Algorithm
- Cloud Computing
- C Programming
- Digital Electronics
- Wireless Communication

Network Engineer
Rooman technology pvt ltd
06/2016 - 06/2017   *Gurugram ,Haryana*
Achievements/Tasks
- Network installation and maintenance.
- Diagnose and quickly resolve a wide range of networking problems to minimise downtime
- Technical support for people using the network.

SPECIALISATION

Computer Networks   Operating System

Computer organisation & Architecture

Programing languages (c,c++,java,python)

Data structure and algorithms

TECHNICAL SKILLS

Tools
MS vishal studio ,Eclipse ,net beans, Dreamweaver,Anaconda, Texstudio

Languages
C, C++, Core java, Asp.net ,Python , C#, Latex, HTML,CSS,Solidity.

Database Management
Ms SQL Sever 2012 , Oracle , MySQL

RESEARCH

Mitigating DNS cache Poisoning Attack Using Blockchain (01/2019 - 07/2019)
- Published A paper in IJCSE Journal Under Title "Decentralization Of DNS using Blockchain:A survey"
  Link:https://www.ijcseonline.org/pdf_paper_view.php?paper_id=4701&202-IJCSE-07515.pdf

INTERESTS

Reading Books   Playing Cricket

Exploring new Technologies
