NAYEEM AHMAD BHAT

Balance hope and fear...
Beerwah, Jammu & Kashmir, India

Summary

I am currently working as a Lecturer in the Department of Computer
Sciences at North Campus, University of Kashmir. I have completed
Ph.D. in Computer Sciences from the University of Kashmir in
July 2022, where I specialized in the area of Software Analytics.
My research interests include Software defect prediction, AI in
automated software testing, Machine learning. I had published
four research articles in top-tier journals in the field of software
engineering.
