## Top Skills

Cloud Computing

Web Development

Discrete Mathematics

## Publications

Eye movement analysis in the context of external stimuli effect

Visual search analysis using parametric fixations

Image complexity analysis with scanpath identification using remote gaze estimation model

# MOHSINA ISHRAT

Lecturer in Computer Science at University of Kashmir  
Jammu & Kashmir, India

## Experience

University of Kashmir  
Lecturer in Computer Science

University of Kashmir  
Lecturer  
March 2018 - Present (6 years 2 months)  
J and k india

---

## Education

University of Jammu  
Doctor of Philosophy - PhD, Computer Science

University of Jammu, Jammu Tawi  
Doctor of Philosophy - PhD, Human Computer Interaction

University of Kashmir  
Masters, Computer Science

University of Kashmir  
Bachelor's degree, Computer Applications
